## **NOTICE**

### **International Chancery Center Parking Procedures**

The Office of Foreign Missions (OFM) would like to notify Embassies located within the International Chancery Center (ICC) that within the next few weeks Embassies will be receiving information on the implementation of new parking procedures at the ICC. As a result, new parking permits will not be issued until the new procedures take effect.

As the current parking permits expire on January 31, 2017, the Office of Foreign Missions (OFM) has requested that Secret Service recognize the current permits and not issue citations.

Questions concerning this matter may be directed to Kimberly Grant at telephone at (202) 647-3417 or by electronic mail at [GrantKB@state.gov](mailto:GrantKB@state.gov).
